Introduction

1. This is an action, pursuant to the Federal Arbitration Act, 9 U.S.C. § 9, to confirm an arbitration award rendered on or about August 21, 2014, arising out of an arbitration between Petitioners and Respondents.

Parties

2. At all times relevant to this petition, Petitioners were various corporations of, and associated with, a Hasidic community known as Bobov (the “Organizational Petitioners”), as well as members, officers, directors, and/or trustees of the Organizational Petitioners (the “Individual Petitioners”).

3. At all times relevant to this petition, Petitioners Yehuda Yerachmiel Halevy Gruber a/k/a Yehuda Yerachmiel Gruber,¹ Asher Baruch Landau, Abraham Aron Lesser, and Aron Benzion Beigel were the duly authorized representatives of the Organizational Petitioners and Individual Petitioners in connection with the arbitration (the “Petitioners’ Representatives”).

4. At all times relevant to this petition, Grand Rabbi Ben Zion Arye Leibish Halberstam, who is one of the Individual Petitioners, was considered by the Organizational Petitioners and Individual Petitioners to be the leader of Bobov.

5. At all times relevant to this petition, Respondents were various corporations and an unincorporated association of, and associated with, a Hasidic community now known as Bobov-45 (the “Organizational Respondents”), as well as members, officers, directors, and/or trustees of the Organizational Respondents (the “Individual Respondents”). The Individual Respondents claimed to be members, officers, directors, and/or trustees of the Organizational Petitioners.

8. Jurisdiction exists under 9 U.S.C. § 9 and 28 U.S.C. §§ 1331 and 1338. The underlying subject matter of the arbitration involved, among other things, whether the name “Bobov” and other names associated with the institutions and organizations of Bobov were protected under federal trademark laws and whether Respondents infringed on Petitioners’ rights to such trademarks. In addition, the underlying subject matter of the arbitration involved conduct affecting interstate and foreign commerce.

9. Personal jurisdiction exists because all but 11 of the Respondents are residents of New York State and, as to the 11 Respondents who are not residents of New York State,³ personal jurisdiction exists because those 11 Respondents transacted business within New York State and this action is related to their contacts with New York State.
